Report of Independent Auditors

The Board of Directors
Motorsports Charities, Inc. d/b/a The NASCAR Foundation

Opinion

We have audited the financial statements of Motorsports Charities, Inc. d/b/a The NASCAR Foundation (the Foundation), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities and cash flows for the years then ended, and the related notes (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation at December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

December 31, 2022

1. Organization

Motorsports Charities, Inc. d/b/a The NASCAR Foundation (the Foundation) was incorporated as a 501(c)(3) charitable fundraising organization in the state of Florida on September 23, 2005, and began operations on January 1, 2006. The Foundation's headquarters are located in Daytona Beach, Florida. The Foundation provides programming opportunities as well as raises and distributes funds for efforts that improve the lives and health of children.

2. Summary of Significant Accounting Policies

The following accounting policies have been used in the preparation of the financial statements.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities in the financial statements. Estimates and assumptions may also affect the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses. Actual results could differ from those estimates.

Contribution Revenue

The Foundation reports gifts of cash and other assets without donor restriction, unless explicit donor stipulations specify how the donated assets must be used. Gifts received with restrictions, where the restriction is met in the same period as the gift is received, are presented as without donor restriction in the accompanying statements of activities.

Revenues from contracts with customers consist of tickets to events and merchandise sales through auctions. Revenues are recognized when control of the promised goods or services is transferred to customers, in an amount that reflects the consideration the Foundation expects to be entitled to in exchange for those goods or services.

Motorsports Charities, Inc. d/b/a The NASCAR Foundation

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

The Foundation's exchange revenue consists of fundraising events and merchandise sales through auctions. Event revenue is recognized upon completion of the event and auction merchandise is recognized as revenue when delivered.

Donated Goods and Services

Donated goods are monetized in auction fundraising activities and are recorded at actual selling price, which approximates fair value. Donated advertising services are recorded at estimated fair value in the period received and used.

Donated accounting, human resource, legal, communication and technical services are recorded at their estimated cost when donated. Donated services are only recorded if the services received create or enhance nonfinancial assets or require specialized skills and would typically need to be purchased if not provided by donation. Other volunteer services are not recorded since they do not create or enhance nonfinancial assets or require specialized skills.

Contributions Receivable

Contributions receivable are stated at their net realizable value and include unconditional promises to give as well as related party receivables from directors, officers and other affiliates. Unconditional promises to give that are expected to be collected in future years, are recorded at the present value of the estimated future cash flows when deemed significant. The discounts on these amounts are computed using risk-free interest rates applicable to the years in which the promises are received. An allowance for uncollectible contributions is recorded when collectability is uncertain based on the Foundation's analysis of past collection experience, current economic conditions, pledge activity and other judgmental factors.

Cash and Cash Equivalents

Cash and cash equivalents include amounts on deposit in interest-bearing bank accounts, shares in money market funds, and short-term government securities. All are highly liquid investments with stated maturities of three months or less from the date of purchase and are classified as cash equivalents.

2. Summary of Significant Accounting Policies (continued)

Net Assets

Net assets, revenue and other support, and expenses are classified based on the existence or absence of donor-imposed restrictions. In the accompanying financial statements, net assets that have similar characteristics have been combined into similar categories as follows:

Without Donor Restrictions – assets that the Foundation has discretionary control to use in carrying out its operations in accordance with the limits of its bylaws and includes funds designated by the Board of Directors for the Betty Jane France Humanitarian (the BJFH Award) Endowment (see Note 4) and other specific uses.

With Donor Restrictions – assets received by the Foundation, whose use is limited by donor-imposed, time and/or purpose restrictions. The Foundation reports gifts of cash and other assets as revenue with donor restrictions if received with donor stipulations that limit the use of the donated assets. When a donor restriction ends or is satisfied, the net assets are reclassified and reported in the net assets without donor restrictions and reported in the statements of activities, as net assets released from restrictions. Net assets with donor restrictions include the BJFH Endowment Fund (Endowment Fund) (see Note 4). The Endowment Fund has stipulations on how the assets are used and maintained by the Foundation.

Income Taxes

The Foundation has been recognized by the Internal Revenue Service as a tax-exempt organization described in Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is made in the accompanying financial statements. Income earned in furtherance of the Foundation's tax-exempt purpose is exempt from federal and state income taxes. The Internal Revenue Code provides for taxation of unrelated business income under certain circumstances. The Foundation believes it has appropriate support for tax positions taken as part of its annual filing requirements and, as such, does not have any uncertain tax positions that are material to the financial statements. The Foundation's tax years subject to examination by the Internal Revenue Service generally remain open for three years from the date of filing.

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurements

The Foundation determines fair value of its financial instruments in accordance with Accounting Standard Codification (ASC) 820, *Fair Value Measurement*. ASC 820 establishes a three-tier fair value hierarchy, that defines the inputs used in measuring fair value. These tiers include Level 1, defined as observable inputs, such as quoted prices in active markets for identical assets or liabilities; Level 2, defined as inputs other than quoted prices for similar assets and liabilities in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. There are no assets or liabilities in the statements of financial position that are required to be measured at fair value on a recurring basis.

Accounting Pronouncements Recently Adopted

In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This ASU is intended to provide additional transparency by presenting contributed nonfinancial assets as a separate line item in the statement of activities as well as providing additional disclosures describing the valuation and use of assets in the nonprofit's programs and activities. The amendments in the ASU will be applied on a retrospective basis and are effective for annual reporting periods beginning after June 15, 2021, with early adoption permitted. The Foundation adopted this standard and has separately stated the contribution of non-financial assets in the statement of activities for the years ended December 31, 2022 and 2021 with applicable disclosures in Note 5.

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)*, to increase the transparency of assets and liabilities arising from leases. Under ASU 2016-02, a lessee is required to record a right-of-use asset, and a lease liability for all leases with a term of greater than 12 months regardless of their classification. The Foundation adopted the new lease standard on January 1, 2022, and elected the short-term lease exemption which provided the option to not recognize right-of-use assets and related liabilities that arise from certain leases with terms of twelve months or less. As of December 31, 2022, the Foundation has no leases with initial or remaining non-cancelable terms in excess of one year. The Foundation leases office space under an operating lease with a lease term of one year. Rent expense for the years ended December 31, 2022 and 2021, was \$48,000.

Motorsports Charities, Inc. d/b/a The NASCAR Foundation

Notes to Financial Statements (continued)

3. Liquidity and Availability

The Foundation maintains financial assets, which consist of cash and short-term investments, to meet normal operating expenses and liabilities that come due. The Foundation invests in cash and cash equivalents to maximize returns within the approved investment policy and to manage unanticipated liquidity needs.

The Foundation's financial assets available within one year of the balance sheet date are as follows:

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents	\$ 5,925,642	\$ 5,406,844
Contributions receivable and due from related party	<u>399,465</u>	<u>304,182</u>
Available financial assets	<u>6,325,107</u>	5,711,026
Less assets not available to be used within one year:		
Donor established and board-designated endowment funds not appropriated for spending	<u>(1,772,945)</u>	<u>(600,000)</u>
Available financial assets, net	<u>\$ 4,552,162</u>	<u>\$ 5,111,026</u>

The board-designated endowment of \$1,007,197 included above could be made available if necessary.

4. Endowment Fund

The Endowment Fund is for the support of the BJFH Award, namely, to fund the operation, promotion, and administrative costs of the BJFH Award as well as costs associated with the maintenance of the Endowment Fund. The Foundation at its sole discretion may annually transfer principal and interest from the Endowment Fund to the BJFH Award budget, provided that the combined net earnings and principal used towards the BJFH Award budget in any one year does not exceed 7% of the total value of the Fund. The primary objective for the management of the Endowment Fund assets is to preserve principal while avoiding excessive risk through the use of moderate growth and income investments with spending adjusted for the total income generated. Net assets and revenues associated with the endowment fund are classified and reported based on the existence or absence of donor-imposed restrictions. There are no restrictions in perpetuity.

7. Related Parties

NASCAR Holdings, LLC (Holdings) and its wholly owned subsidiaries are an affiliated organization of the Foundation. During the years ended December 31, 2022 and 2021, Holdings donated cash of \$49,400 and \$68,750, respectively, to the Foundation, as well as contributed competition fines, assessed to competitors at certain NASCAR-sanctioned events, totaling \$870,191 and \$1,381,500, respectively. These donations and fines are included in contributions of financial assets revenue in the accompanying statements of activities.

Holdings also contributed accounting, human resource, legal and technical services of \$239,863 and \$210,890, as well as advertising services of \$413,778 and \$356,704 for the years ended December 31, 2022 and 2021, respectively. These services are recorded at estimated fair value and are reflected as contributions of nonfinancial assets revenue in the accompanying statements of activities.

The Foundation and Holdings share a variety of expenses in the ordinary course of business. For the years ended December 31, 2022 and 2021, the Foundation paid Holdings for production and digital services, tickets, printing expenses and various other office expenses totaling \$88,444 and \$101,064, respectively. The Foundation was a subtenant of a Holdings leased property and paid rents to Holdings totaling \$48,000 for the years ended December 31, 2022 and 2021. At December 31, 2022 and 2021, the Foundation had net receivables from Holdings of \$104,698 and \$0, and net payables of \$0 and \$62,805 respectively, recorded as due from and due to related parties in the accompanying statements of financial position.

The Foundation also received donations for the endowment (Note 4) as well as fundraising activities from its directors, officers and other affiliates totaling \$217,595 and \$552,931 for the years ended December 31, 2022 and 2021, respectively. The Foundation paid its directors, officers and other affiliates promotional expenses totaling \$20,000 and \$0 for the years ended December 31, 2022 and 2021, respectively. At December 31, 2022 and 2021 the Foundation had receivables from its directors, officers and other affiliates related to the endowment and fundraising activities totaling \$141,667 and \$235,000, respectively, recorded as contributions receivable in the accompanying statements of financial position.

Notes to Financial Statements (continued)

8. Support

The Foundation raises funds and partners with experts to improve the lives and health of children. To help support its mission, the Foundation has several major fundraising events throughout the year, including Taste of the 24 and a Charity Poker Tournament. Other fundraising efforts include online auctions of memorabilia and experience packages and Friends of the Foundation direct mail and digital communications, which share fundraising messages and provide varying levels of contributions and support.

9. Subsequent Events

In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through June 16, 2023, the date the financial statements were available to be issued.

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.
